## Update: Underground Utilities on Third Street

March 5, 2021

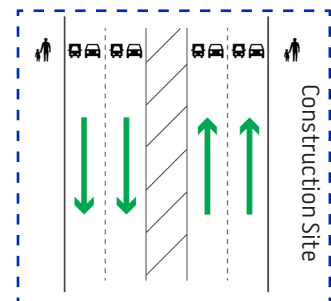

Underground utility work on Third Street will be extended to this Saturday, March 6<sup>th</sup> and next Saturday, March 13<sup>th</sup> from 7 a.m. to 3 p.m. with a small possibility of Sunday work in an effort to complete the AWSS scope as soon as possible. Street lane configurations between Channel Street and the Third Street Bridge may continue to shift as work progresses.

Configuration 1  
Eastern northbound  
lane closed during work hours

Configuration 2  
Middle northbound and southbound  
lanes closed during work hours

Regular traffic flow  
outside of work hours
