NOTICE

**MISSION
ROCK**

October 4, 2021

Dear Resident/Business Owner,

This notice is advanced notification of essential PG&E activities that need to occur for the Mission Rock project, within approved permit plans.

ADVANCE INFORMATION:

The first phase of PG&E vault night work is expected to start on **10/18/2021** and end on **10/30/2021**. This work will take place from approximately **9:00 P.M. – 6:00 A.M.** Activities will be conducted near Pier 48 on Terry A. Francois Boulevard and on the northeast corner of Terry A. Francois Boulevard and Third Street. Webcor will work closely with Mitchell and PG&E to limit all noise and ensure it is within allowable levels. Task lighting will be positioned down and away from adjacent buildings.

If you have any questions or concerns about this particular work, please contact the individuals below:

1. Jose Martinez, Project Engineer: (510) 496-1306 (24-hour emergency contact)
2. Brian Capizano, Project Superintendent: (510) 703-3679

We thank you in advance for your patience and cooperation during these scheduled activities.
